STUDENT PROGRESSION REPORT (ACADEMIC SESSION 2021-22)

A substantial number of students have proved their metal by qualifying different state/national level examination, primarily as concerns UGC-NET, UGC-NET JRF, GATE, SLET, as well as securing gold medal in the annual University Examinations. A greater number of students are pursuing research as part of their PhD thesis. However, unfortunately, the number of students getting employment/jobs remains meagre (Or, the records of such students are not maintained). A brief summary of the progression made by students in the Academic session 2021-22 is presented below;

S. No	Extension activity	Number of students

Certified that above statement is correct to the best of my knowledge and belief.
