### DETAILS OF THE FAREWELL AND OTHER PROGRAMMES HELD FOR THE TEACHING FACULTY

It is customary on the part of the Staff Club to organize Farewell Programmes for faculty members on the occasion of their retirement from the active service, or getting transferred to another government college, or who on being promoted to principalship have to leave the college fraternity. A prior invitation is forwarded to such individuals, and as per their own availability to spare time, are requested to be accompanied by their consort. Every effort is made to make the occasion memorable. The other occasion remains, when individuals get transferred to the alma mater from other college, and thereby build upon the base of the fraternity.
